Laurel Art Guild and Laurel Regional Hospital Partner to Bring Art to the Patients

In 2006 Laurel Regional Hospital requested Laurel Art Guild participate in two programs with the hospital. The first is an annual Children's Art Competition that is held each spring. LAG members help organize the event and act as jurors.

The second is an exhibit held within the hospital of Laurel Art Guild member's work. The artwork is on display at the hospital for a 3 month rotation, unless sold. In the event of a sale, Laurel Art Guild collects a 20% commission, to benefit the Laurel Art Guild Scholarship Fund. The Laurel Art Guild awards Scholarships to high schools in Laurel Maryland for graduating seniors who will continue their studies in Fine Arts.
